Name	Bob McDermott
Rail Tax	Yes
Gas Tax	No
Tax Reasons	I was not in when the rail was conceived. So, I view the situation at hand. The only reasonable way to ensure this works is to run it to the UH. Otherwise, it will not work. It is that simple. The GET will never go away because once the system is built, it will need to be maintained and operated. Soley asking the homeowner to bear that burden is unreasonable in my view.
Homeless 1	Provide the private sector meaningful tax incentives for affordable rentals.
Homeless 2	Re-zone marginally productive agricultural lands for housing.
Homeless 3	Reform how will address the mentally ill; show little sympathy for the substance abuser once programs are offered.
Campaign Plan 1	Hard Work.
Campaign Plan 2	Name Recognition though earned media.
Campaign Plan 3	Doing the right thing and representing the people of Ewa, a center right community.

Regards,
The Homestead Team
